

Wanderers Warriors Code of Conduct 2017

Wanderers Warriors expect all players, coaches, officials, parents and spectators to abide by a 'Code of Conduct' that embodies basic principles, demonstrates consideration of others, and projects an image to our young players of which we can be proud.

The following essential elements of the 'Code of Conduct' must be adhered to:

1. **Promote, praise & respect** fair play and skill development before winning
2. Offer **encouragement** and **praise** during training and matches – however during this time any technical information, instructions, or criticism should **ONLY** be given by the coach
3. **Respect, promote**, and adopt a good attitude towards the game, your child, his team-mates, opponents, coaches, the officials, and other parents & spectators
4. Coaches welcome being approached to discuss player development or concerns. This should not be addressed during matches or training. Small matters may be discussed **before** or **after** training or matches once all players have been let go by the coach
5. If a coach cannot, or does not resolve any issues, or you are not happy with a coach's explanation, contact a **Head Coach** to discuss the situation further.
6. **Respect** rules set out by the club staff, coaches, officials, and the leagues the players are entered in
7. Remember – the child's **safety** and **well-being** should never be compromised!
